By signing and detailing the registration form for Members of the Press with the Sustainable Energy Council, you have agreed to the following terms and conditions:

1. **Members of the Press must name the event as the information source in any article written about/at the event: "First Annual Asia-Pacific Hydrogen Summit"**
2. **Members of the Press are requested to accredit the Sustainable Energy Council as the event organiser in any article written about/at the event.**
3. The Sustainable Energy Council retains the copy right of the conference, and therefore **Members of the press will not film, copy or reproduce entire sessions or presentations for publishing to the wider public.** Members of the Press are instead encouraged to quote, summarise discussions and conduct interviews via the platform.
4. Members of the Press are requested to gain permissions from interviewees before quoting or publishing any materials from an interview.

6. The Sustainable Energy Council retains the right to limit the number of press passes allocated to each event. Press Passes issued are for registered representatives only; passes will only be issued to those in press capacity and representatives will be required to present valid accreditation.
7. Access to the event for Members of the Press who register on the day to any Sustainable Energy Council event will be dependent on allocated number of passes and capacity, therefore pre-registration is highly encouraged.
8. Access to the event for Members of the Press is limited to selected conference proceedings and networking functions. You will be informed of these limitations on the day, all decisions are final and the Sustainable Energy Council will retain the right to limit or refuse entry where it sees fit.
9. Members of the Press must wear their event badges at all times (at physical events) and clearly identify as PRESS at all times.
